No. 1050 - 1 Deputy Commissioner

19th March 1898

To

The Secretary to the
Government of Mysore
Genl. and Rev: Dep'ts

Sir,

Referring to Govt Pro:
No. 389-422 dated 12th July
F.L 50
1897, prescribing a certain
form of certificate on pay
bills concerning insurance,
I have the honour to enclose
herewith an extract from
an objection statement
sent by the Examiner of
P.W. accounts on the District
Office Macamat Establishment

bill for January 1898.

2. In usual parlance, the words "in honour" are interpreted as amounting to a mild form of oath. I was under the impression that these words would not be considered essential and have been omitting them from the certificates. The Comptroller who apparently proposed the original form has hitherto not objected to the omission, and so I thought that I need not trouble you with any reference on the matter.

3. But since the Hammer has raised the question,

I request that Government
may be pleased to alter the
form by leaving out the
words "on honour". Certificates
signed by Public Officers
without appealing to any
honour in so many words
are considered sufficient
in much more important
matters, as e.g. when stating
a Magistrate's belief about
a confession being voluntary.

4. It seems to me moreover
out of place to require such
a certificate always. For
example when an officer
deducts from his paybill

50 Rs as I do every month
 as premium, I cannot see
 why he should be asked to
 swear that he has duly sub-
 mitted his proposal for the
 first and further insurance.
 A similar objection would
 apply to the other certificate also.

If it should be thought
 that an attestation is not
 expedient, I beg as a personal
 favour that special dispensation
 to omit "on honour" maybe
 granted to me, as I have a
 strong, perhaps an unreasonable
 and superstitious prejudice
 against the use of these words.

I have the honour to be
